You won't know until tomorrow comes.

How was school tomorrow?

I don't know why.

I want some cake.

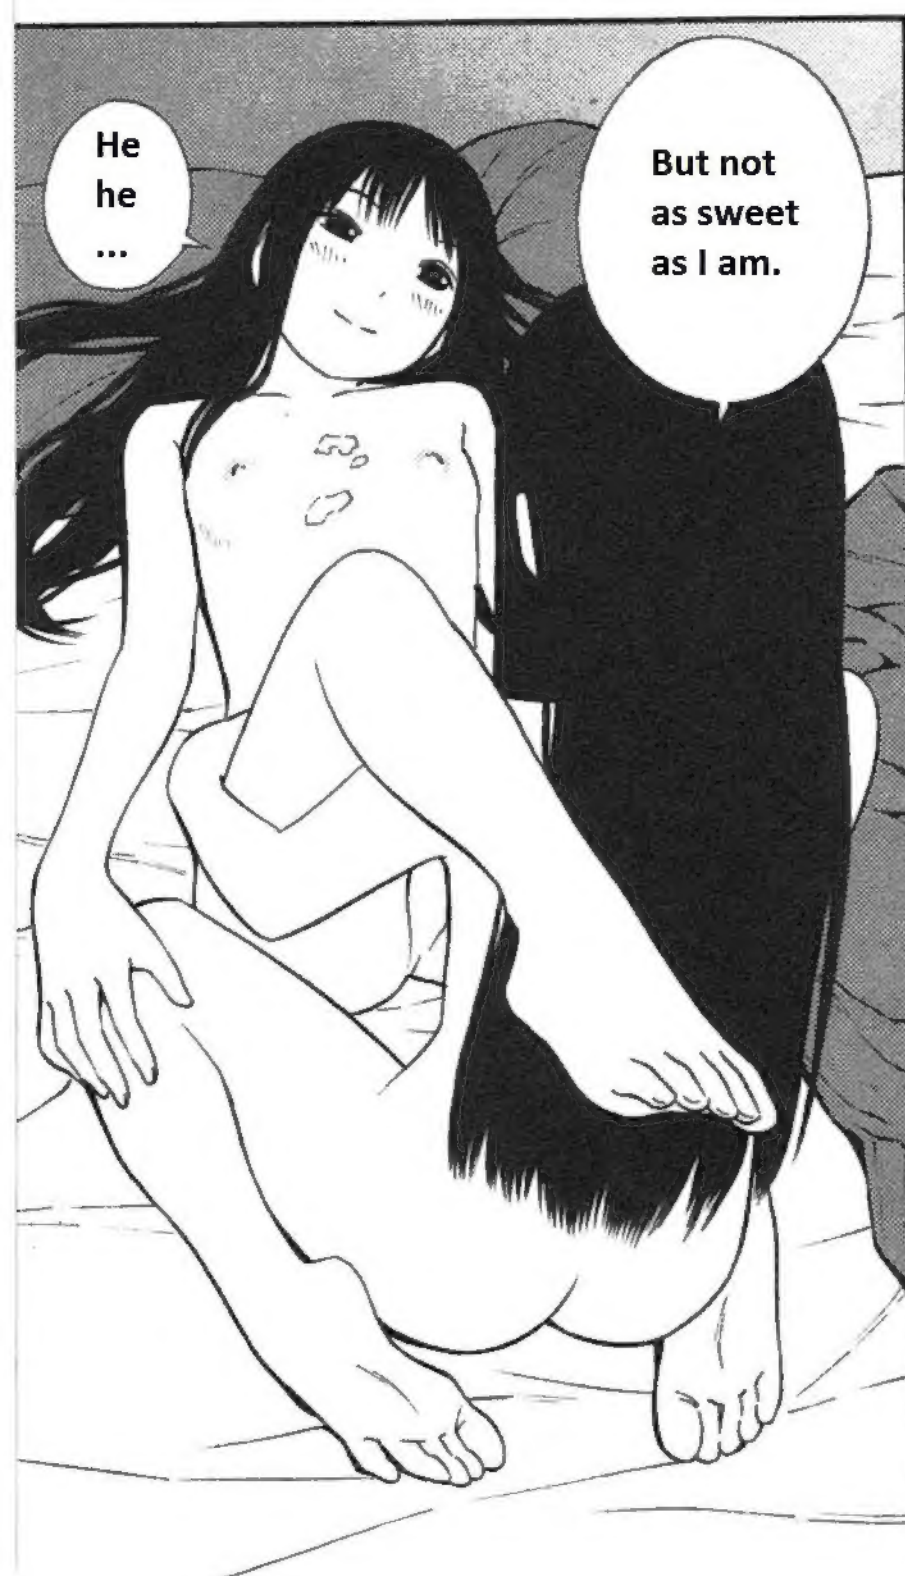

I know.

This mirror is surely a gift from God.

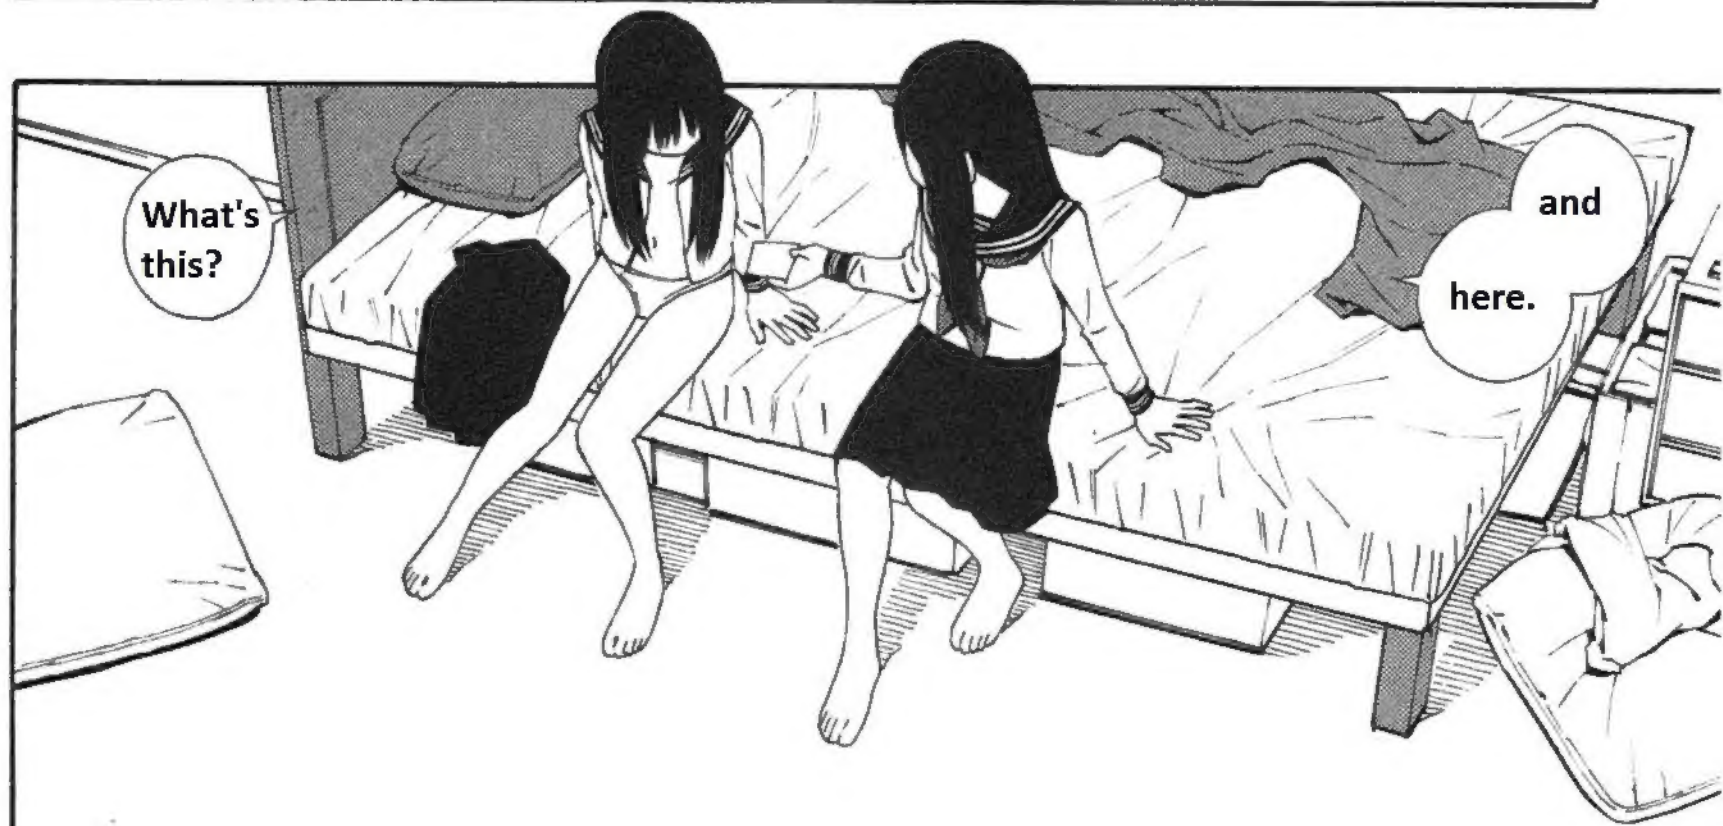

This
cake is
sweet.

He
he
...

But not
as sweet
as I am.

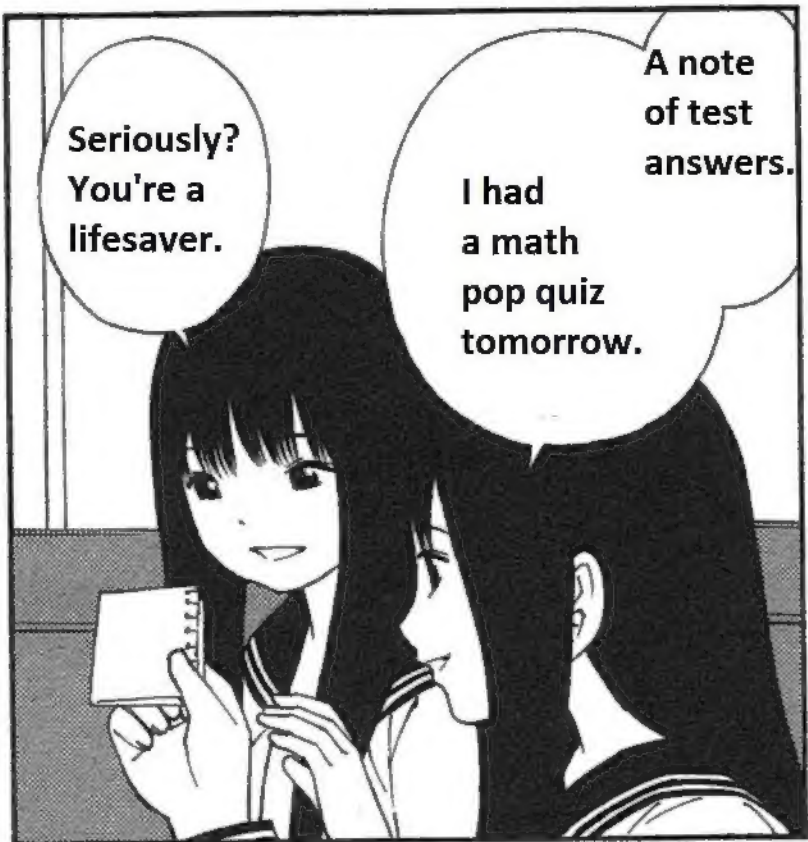

It's about time I go back.

This mirror can't take you to the future.

Yeah.

Seriously? You're a lifesaver.

A note of test answers.

I had a math pop quiz tomorrow.

See you later, yesterday's me.

When I come from the future I have to return to the future.

I went back to the future.

I wait on the first day, and on the second day I go to the past.

Since I waited today...

Tomorrow is when I'll go back.

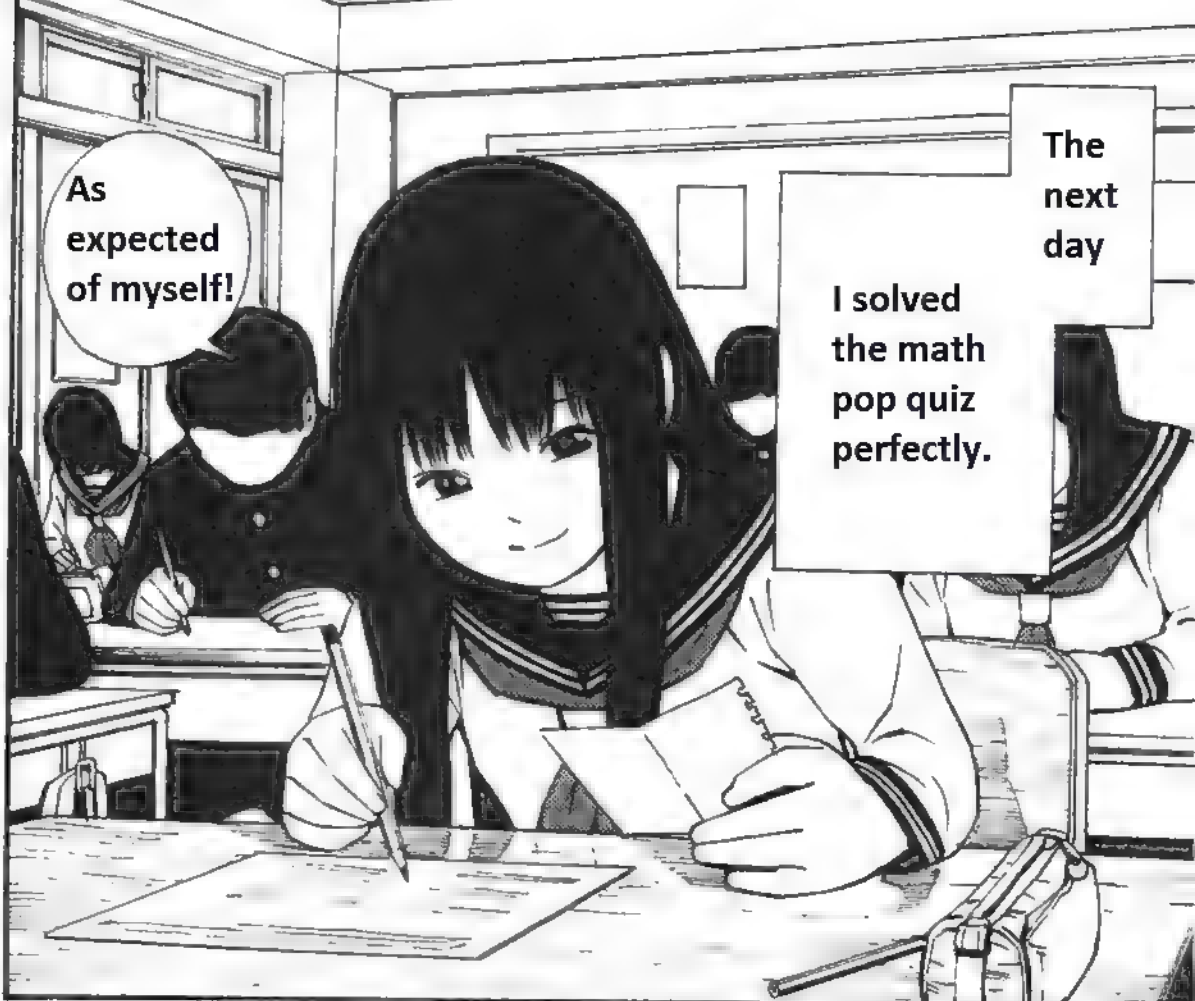

I go back and forth between past and future in sets of 2 days.

See you later, tomorrow's me.

And so,
I returned
home...

As
expected
of myself!

I solved
the math
pop quiz
perfectly.

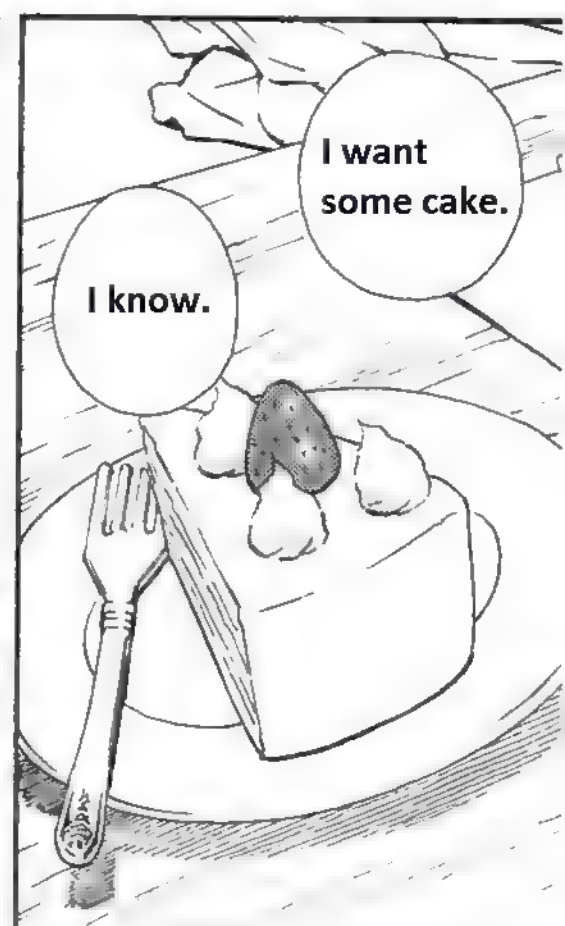

The
next
day

I'm home,
yesterday's
me.

Welcome
home,
tomorrow's
me.

To meet
with
yesterday's
me.

I want
some cake.

I know.

Mmm

I'm
just
so
cute...

Seriously?
You're a
lifesaver.

A note
of test
answers.

I had
a math
pop quiz
tomorrow.

and
here.

What's
this?

...
Huh?

That's
weird.

See you
later,
yesterday's
me.

See you
later,
tomorrow's
me.

I wonder if it would eventually become tattered.

Also, that note -

round

13th (Tuesday) 12th (Monday)

and around

Now I'm wondering...

I'm sure it's the same one I received ...

That note with the test answers

Where did the note come from?

?

?

.....?

Tomorrow it's time for tomorrow's me to arrive!

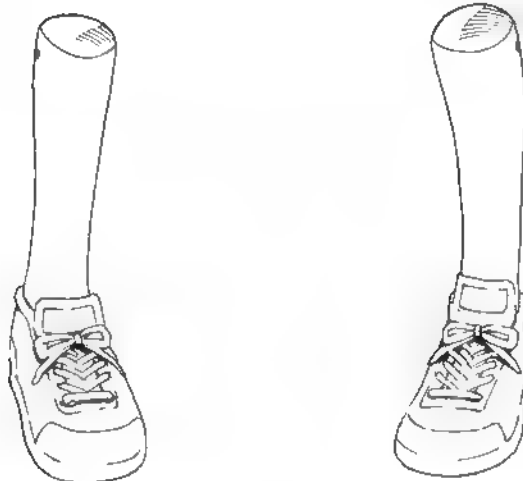

Nevermind, it's not that important!

Well, maybe later!

I

another
trick to
it.

Wha...
What
does
this
mean!?

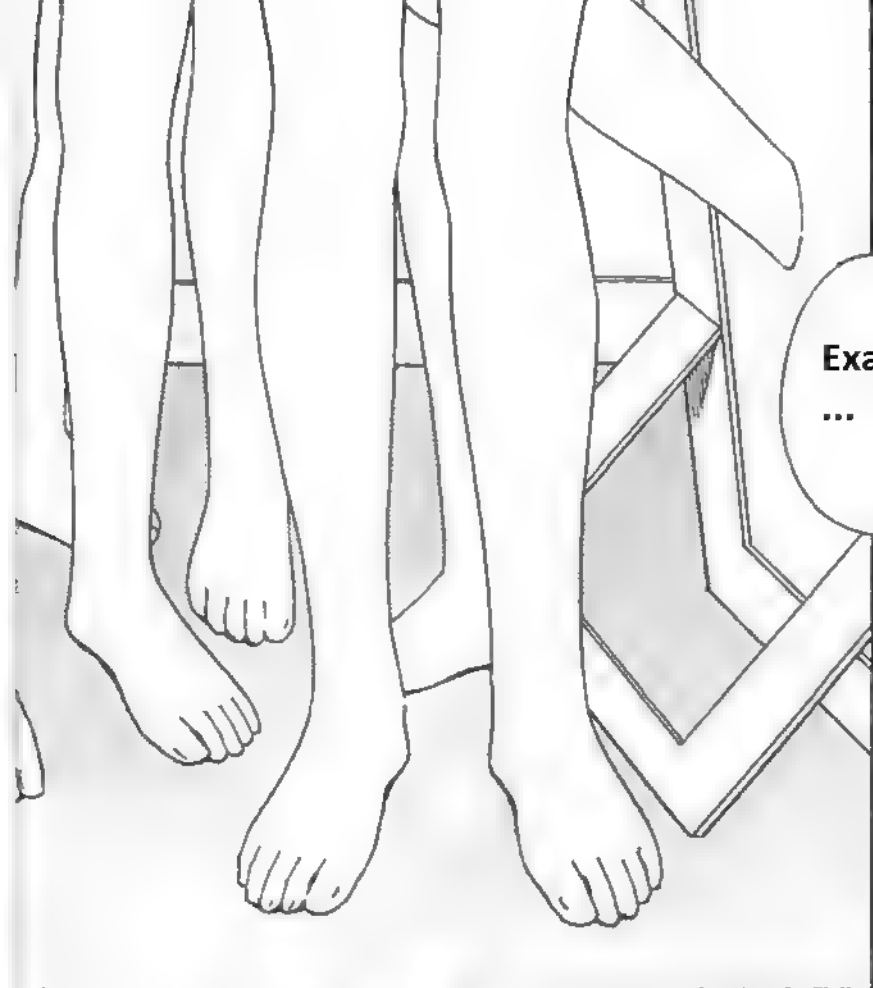

Then I
discovered I
could go back
an extra day
through the
back of the
mirror.

Ah...
So that's
how!

Meaning,
we wouldn't
be able to
go farther
back than 24
hours into
the past...

So when
myself from
the future
goes back
through the
mirror we
just return to
our original
time, right?

Exactly
...

So the
future
me's can
all go back
24 hours
again,

which
means
...

A... As
expected
of myself!

For the time
being I've
gathered 10
days worth
of myself.

This
is...

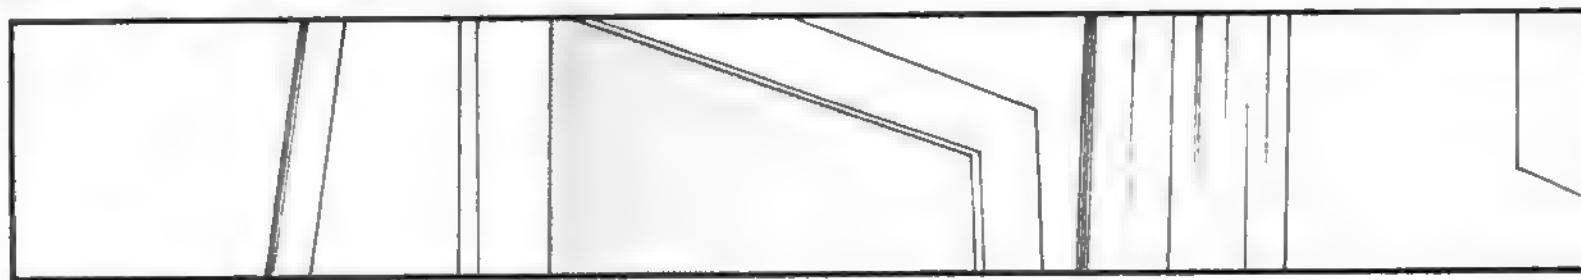

This
is

the
greatest
...

I love
myself!

When
the
heck
did I
first
notice
it...?

I learned
about it
today from

At
what
point

did I
notice
the back
of the

CAME TO
THIS...

I CAN'T

YOU

YUU-KUN.

I...
I CHOOSE?

A black and white manga panel showing two nude anime-style girls sitting together. The girl on the left has short black hair and is looking towards the viewer with a slight smile. The girl on the right has long black hair and is looking towards the viewer with a slight smile. They are both sitting on a bed or couch, with their legs crossed. The background is simple, with some lines suggesting a room.

THE ALMOST
TRANSPARENT
WHITE SKIN
OF A BIG
SISTER OR,

THE HEALTHY,
SLIGHTLY
TANNED SKIN
OF A LITTLE
SISTER...

NO!

THAT'S
NOT THE
PROBLEM
HERE!!

A black and white manga panel showing a boy lying on the floor, looking shocked. He has short black hair and is wearing a shirt. His mouth is wide open in a scream, and his eyes are wide. He is surrounded by the legs and feet of the two girls from the previous panel, who are still sitting on the bed or couch. The boy is lying on his back, with his arms outstretched.

IN THE FIRST
PLACE, THIS
GIRL ISN'T
HUMAN!

LET'S THINK
ABOUT THIS
CAREFULLY
!!

OBJECTIVELY,
BIG BREASTS
ARE
DEFINITELY
BETTER.

HOWEVER,
SMALL
ONES ARE
VERY CUTE,
IT WOULD
BE A
SHAME TO
DISCARD
THEM.

NO,
THAT'S
WRONG!
THAT'S
NOT IT!!

WHAT TO DO,
WHAT SHOULD
I DO,
WHICH ONE
IS BETTER...

THAT'S
NOT
IT!!

IN THE
END,
I CHOSE
A BIG
SISTER.

✓ Hanako-chan is actually a normal high school girl.

Even for me,
it feels like I
drew a really
weird manga.

Yet, drawing a weird
manga is fun.

I'd like to draw
such a stupid
manga again.
At that time,
hopefully,

I'll see you
again!

The truth is, I didn't think of
this manga alone.
It was also thanks to F Oka-san,
this weird girl from the editing
department of Erotics F, that it
was created.

F Oka-san, hopefully,

I'll see you
again!
